MEMORANDUM FOR: Mr. Lehman

SUBJECT: Request for Department of State
Situation Reports

As a part of the DCI directed post-mortem, the IC Staff is now conducting a review of the intelligence products which were published after the outbreak of hostilities in the Middle East on 6 October. Unfortunately, our product files for this period are incomplete because we did not receive all of the Department of State's situation reports. To assist us in completing our review, we would appreciate your providing us with copies of the State situation reports for the period 6-25 October, inclusive.
